

REMARKS

Claims 1-18 are active. Claims 9-18 are new. Minor amendment is made to the specification and to certain of the claims to improve their form, eliminate improper multiple dependencies and replace multiple dependent claims with non-multiple dependent claims with proper antecedents added. Entry of this amendment is respectfully requested.

No fee is believed due, however, any fee due for this paper or overpayment is respectfully requested to be charged or credited to deposit account 03-0678.

Respectfully submitted,
Walter Fix et al.
